**The Installers Choice**

• **High Shock Absorption**

Plastic tops remain in place during fixing

• **A4 Marine Grade Stainless Steel**

Eliminates rust and discolouration around pin; and they're tougher too

• **Ringshanked**

For increased grip when installed

• **Coloured Tops**

To match all Freefoam products

• **20 Year Guarantee**

Available on registered installations

• **Belt Clip**

Easy to carry and access to pins while you work

• **Durable Waterproof Packaging**

Withstands rough on-site and transportation handling
